

MUSTARD

SOUND REINFORCEMENT REQUIREMENTS & STAGING

Mustard are a professional 5 piece function band, no backing tracks or sequencers are used. We require a minimum setup area 4m wide and 3m deep. If you are providing sound reinforcement for our performance, we will require:

LOU – Vocals

Mixing desk Channels required -1 mono

Handheld radio microphone (We can provide if required)

Monitoring: In ear monitors (we can provide if required)

Staging: Centre Stage

PATRICK – Drums

Mixing desk Channels required - 5/6 x mono

Kick drum

Snare Drum

Tom1

Tom2

Overhead Mic(s)

Monitoring: Stage monitor

Staging: Rear Centre - Drum Riser if available

CRAIG – Bass

Mixing Desk Channels required – 2 mono

Bass Guitar

Vocal

Monitoring: In ear monitors (we can provide if required)

Staging: Stage Left

Jonny – Guitar

Mixing Desk Channels required – 1x Stereo, 1 x mono

Guitar [Stereo]

Vocal

Monitoring: Stage monitor

Staging: Stage Right

DAZ – Keyboards

Mixing desk Channels required -2x Stereo

Yamaha MODX8

Roland Fantom G6

Monitoring: In ear monitors (we can provide if required)

Staging: Rear Right – Riser if available

Important

Guitar and Bass guitar use no on stage backline, instead using modern processing equipment, good quality monitoring is therefore very important.

If you have any queries on these requirements, please contact Daz on 07584 241551.
